

SOY KOTE

HIGH PERFORMANCE CONCRETE RELEASE AGENT

SOY KOTE PRODUCT HIGHLIGHTS

SOY KOTE is an environmentally responsible, high performance release agent that was specially formulated to prevent concrete from adhering to equipment and vehicles. SOY KOTE forms a safe, protective coating that makes cleanup quick and easy. Also repels mortar, grout, gunite, paint and road and industrial grime.

Economical to use, and one application lasts for an entire day. May also be used as a preservative to help prevent corrosion.

SAFETY PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN.

If swallowed, seek aid from a physician.

If sprayed into eyes, flush with water.

Store product in a sealed, properly-marked container when not in use.

Refer to MSDS for complete safety information prior to using this or any other chemical product.

- **Saves hours of cleanup time**
- **Helps protect vehicle finishes**
- **Quick, easy and economical application**
- **One application lasts for an entire day**
- **Nonhazardous**

DIRECTIONS

DILUTION:

May be diluted 1 to 1 with water.

APPLICATION

May be sprayed or wiped on with a rag, mop, sponge or similar device. Smaller equipment may also be dipped. Always apply to a relatively cool, dry surface.

REMOVAL

Product may be removed (if needed) with any alkaline cleaner and a brush. Rinse concrete truck or roadworking equipment well after using any cleaner product.
