

LIQUEFY

BIO-BASED ASPHALT & TAR DISSOLVER

PRODUCT HIGHLIGHTS

LIQUEFY is a bio-based formula made using natural plant oils and extracts to create a product that offers all the cleaning power you need without resorting to the harsh, environmentally hazardous chemicals found in conventional tar and asphalt removers.

- Bio-based
- Nonhazardous
- Contains no chlorinated or hydrocarbon-based solvents
- Environmentally responsible and biodegradable
- Nonflammable (high flash point over 250°F)

SAFETY PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN.

Avoid open flames.

Store product in closed, properly-marked containers when not in use.

Refer to MSDS for complete safety information prior to using this or any other chemical product.

Manufactured for **GOLDEN WEST Industrial Supply**
To reorder, call: **1-800-521-2601** or **1-805-522-1000**
All Products 100% Made in the USA

DIRECTIONS

LIQUEFY can be diluted up to 3:1 with water to clean lighter accumulations of asphalt and tar. For heavier deposits, use product at full strength.

Simply spray **LIQUEFY** on dirty areas of equipment to be cleaned. Allow product to sit as least 15 minutes to 1 hour (longer for larger and heavier deposits). Scrub with a brush, rag or sponge as needed. Rinse thoroughly.

To prevent asphalt and tar from sticking to your equipment, we recommend using Golden West BIO RELEASE
