

BIO RELEASE

CONCENTRATED • EARTH-FRIENDLY • HIGH PERFORMANCE

PRODUCT HIGHLIGHTS

Save hundreds of man-hours in clean-up by using the right asphalt release agent.

- Advanced, concentrated, high-release protective coating
- Environmentally responsible and biodegradable
- Non-staining
- No gummy mess in your truck beds
- No displeasing odor

SAFETY PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN.

Only use outdoors or in well ventilated areas indoors.

Store product in closed, properly-marked containers when not in use.

Refer to MSDS for complete safety information prior to using this or any other chemical product.

Manufactured for: GOLDEN WEST INDUSTRIAL SUPPLY
To reorder, call: 800-521-2601
All Products 100% Made in the USA

DIRECTIONS

PREPARATION:

Before applying **BIO RELEASE**, make sure equipment is clean and free of debris.

Use **BIO RELEASE** as is on modified asphalt. May be diluted up to 30:1 with water on non-modified asphalt.

SPRAY ON:

Simply apply **BIO RELEASE** thoroughly to truck beds or on equipment anywhere asphalt may accumulate.

Product should be applied to truck beds after each load.

For the cleaning of asphalt equipment, we recommend using GOLDEN WEST INDUSTRIAL SUPPLY **LIQUEFY**.
