

NANO SLIDE™

CONCRETE REPELLENT COATING

PRODUCT HIGHLIGHTS

NANO SLIDE is a product designed to repel concrete, mortar, grout, gunite, paint, road and industrial grime from concrete trucks and other roadworking equipment. **NANO SLIDE** bonds electrostatically and attaches itself to both painted and unpainted surfaces.

Cost-effective and ready-to-use, **NANO SLIDE** minimizes wear on equipment finishes and saves valuable man-hours by reducing cleanup time.

- Saves hours of cleanup time
- Helps protect vehicle finishes
- Quick, easy and economical application
- One application lasts for an entire day

DIRECTIONS

NOTE: 1. Shake well before using. 2. Pretest in an inconspicuous area prior to using on painted surfaces.

APPLICATION

NANO SLIDE may be wiped or sprayed on undiluted or may be diluted with up to 3 parts water.

REMOVAL

NANO SLIDE can be removed with any alkaline cleaner and a brush. Rinse well.

Keep from freezing. Freezing will affect the physical condition but will not damage the material. Thaw and mix before using.

WARNING: CAUSES SKIN AND EYE IRRITATION. MAY CAUSE RESPIRATORY IRRITATION. KEEP OUT OF REACH OF CHILDREN.

Contains petroleum oil. Wear eye protection and protective gloves. Wash hands thoroughly after handling. Avoid breathing spray mist. Use only outdoors or in a well-ventilated area. Dispose of contents and container in accordance with applicable regulations.

FIRST AID: If on skin: Wash with plenty of water. If skin irritation or rash occurs: get medical advice. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a doctor if you feel unwell. If swallowed: Rinse mouth. Do NOT induce vomiting. Immediately call a doctor or poison center. **See the Safety Data Sheet for additional information.**
