

GOLDEN WEST SOLVE™

MULTI-PURPOSE CLEANER and DEGREASER

PRODUCT HIGHLIGHTS

GOLDENT WEST SOLVE is a multi-purpose, high-powered cleaner with 'broad spectrum' cleaning action. The product is water-soluble, nonflammable, and is effective for use on all painted surfaces, decals, most metals, stone and concrete, electrical insulation and plastic surfaces.

- A powerful cleaner and degreaser that's compatible with most surfaces
- Effective for use on exotic materials such as carbon fiber, etc.
- Quickly breaks down carbon residues and exhaust soot
- Cuts through tough road and industrial grime
- Brightens paint
- Neutralizes acids

DIRECTIONS

NOTE: 1. Store in original container. 2. Keep sealed when not in use. 3. Do not use on polished or anodized aluminum surfaces. 4. Do not allow to dry on glass surfaces. 5. Pretest in an inconspicuous area prior to using on painted surfaces.

Light Duty: (3-6 ozs. per gallon of water)

Typical examples are light soils formed from airborne dust and dirt particles, very light oils, waste organic matter, perspiration or natural oils and smoke films on glass and enameled appliance / cabinet surfaces, toilet equipment and on lightly trafficked hard surface floors.

Medium Duty: (7-14 ozs. per gallon of water)

Typical examples are soil formed from pigments and dyes (ink, lipstick, stains), miscellaneous dirt and carbonized (burnt) or oxidized (partially burnt) debris found on cars, buses, trains, aircraft, hard surfaced floors and kitchens of all types and sizes; meat pack, bottling and bakery plants.

Heavy Duty: (15-64 ozs. per gallon of water)

Typical examples are soils from medium to heavy oils and greases containing miscellaneous foreign matter (dirt and dust particles, hair, paper, organic wastes, etc.) as formed in engine/boiler rooms, machine shops, heavy equipment, repair and maintenance depots, and industrial manufacturing plants.

DANGER: CAUSES SEVERE SKIN BURNS AND EYE DAMAGE.

HARMFUL IF INHALED OR SWALLOWED. MAY CAUSE RESPIRATORY

IRRITATION. KEEP OUT OF REACH OF CHILDREN.

Contains 2-butoxyethanol and sodium metasilicate. Wear protective gloves, eye and face protection. Do not breathe vapors or mist. Use only outdoors or in a well-ventilated area. Take off contaminated clothing and wash it before reuse. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Keep only in original container. Absorb spillage to prevent material damage. Store in corrosive resistant container with resistant inner liner. Dispose of contents and container in accordance with applicable regulations.

FIRST AID: If on skin: Rinse skin with water or shower. Immediately call a poison center or doctor. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. If inhaled: Remove person to fresh air and keep comfortable for breathing. Immediately call a poison center or doctor. If swallowed: Rinse mouth. Do NOT induce vomiting. Immediately call a poison center or doctor. **See the Safety Data Sheet for additional information.**
